Submitted 20) From the Rules * of the Mysore Secretariat Association it is seen that membership is open only to the non-gazetted employees of the Secretariat and its associated offices.

21) The Secretary of the Mysore Sectt. Association has stated in the P.U.D. that the association is non-political.

22) In our State, recognition to such associations of Govt. Servants consisting of a distinct class of Government employees is usually understood to be granted subject to the Rules for the Conduct of Govt. Servants × and in particular Rules 78 to 83 page 16 of the booklet placed below.

23) The Madras Govt. have in their order × No 1160 D/11.5.48 prescribed conditions for the grant of recognition to associations of non-industrial Govt. employees. The object of according recognition to such an association of Govt. Servants, is to enable them to communicate their needs and

grievances to Govt. in a legitimate and proper manner by adopting Constitutional procedure. Of course the primary object of Govt. in permitting such associations to be formed is to promote esprit de corps amongst the members.

24) The only material point of difference between the rules for permitting such associations to function in Mysore and Madras is given in rule 6 * Foot note framed by the Madras Govt. viz:- the recognition accorded is subject to withdrawal if the members resort to seditious propaganda, expression of disloyal sentiments, threat of strike, etc; to ventilate their needs and grievances. Moreover, the Association is to embody in its rules that a strike or threat of strike against the Govt. shall never be used to achieve any of its purposes.

25) This provision in the Rules of the Madras Govt. is a result of the strike that took place in that Province. It is indeed to the credit of the Officials loyalty that such a strike has never taken place in Mysore State; the labour and industrial strikes are mostly confined to private organisations and seldom affect Govt. Industrial Concerns.

26) These rules now under consideration do not apply to associations of Govt. industrial employees.

27) The Education Secy. has opined at para 18 supra that the rules obtaining at Madras need not be adopted here for the present, and that the recognition sought for may be granted.

28) It is a point for orders whether recognition may be granted subject to the condition discussed in para 24 supra, and also subject

Re: Grant of Recognition to N. G. O's Association

It is ascertained informally from Lt S. G. Narasimhaiya that this case was dealt with in 1920-21 in the G. M. ~~Records~~ Section of the Medical Branch, and that there are some Collections on the subject in the Genl. Records.

As the Chief Secy. wants them urgently for reference, the Supdt. Medical Branch may be requested to kindly intimate the Sl. nos. and file numbers for obtaining the Collections from the Genl Records.

I believe there is a collection of papers relating to the subject of recognition of the Mysore Non-Gazetted Officers' Association in the General Records. If it could be got at, you can have definite information.

2) From memory, however, I may say that the question of recognition was raised soon after the Association was started in or about the year 1921. I am not sure if the Chief Secretary at the time was Sri C.S. Balasundaram Iyer, but above his initials there were preliminary enquiries like what exactly was meant by "recognition", etc., and then a recommendation that regular or formal recognition of a large body of Government Servants was not desirable; Sir M. Kantharaj Urs (the Dewan) perhaps shared the same opinion at one interim stage; at a later stage, however, i.e., in 1922 or 1923, the papers went up to the then Dewan, Sir A.R. Banerji, who ordered that the Association might work for the promotion of the best interests of the officials, that any facilities which it needed might also be extended, that no formal reply to the Association was however necessary in that particular case, and that the papers might be filed.

3) The

3) The Association was subsequently permitted to occupy, and hold committee meetings in one of the rooms of the present Motor Garage, and though the term "recognition" has not been defined, it has also received financial and other help from time to time.

4) Among the founders and first functionaries of the Association were Srijuts S. Ganapathi (Retired Superintendent, G.R.S.), M.K. Ramanna (Assistant Secretary to Government) and N. Venkat Rao (Local Service Examinations Board), who may be contacted for any further particulars that may be required, in case the collection is not readily available.

Yours sincerely,
